

## Fundbox Front-End Assignment

Write a Single Page Application, according to the attached design. The app is an interface to play music from spotify.com API (they offer a 30 sec preview for songs, choose a couple of songs to your liking). The app should include the following functionality:

1. Play/Pause
2. Next/Prev Song
3. Album Art
4. Artist Name
5. Song Name
6. Elapsed Time
7. Remaining Time

Good luck!
